

The background of the poster is decorated with various whimsical tea party items. At the top, there are colorful pastries and a blue and white striped teacup. On the left, a tiered stand holds a cake with a pink bow and a cupcake. In the center, a large blue teapot with pink floral patterns is prominent. To its right, a three-tiered stand holds macarons in yellow, pink, and purple. At the bottom, there are more teacups, including a green one and a pink one, and a small blue flask with a tag that says "DRINK ME".
